2008 Reports and 2009 Mid-Year Report (1/01/09-6/30/09)

Dear Ms. Daughtrey:

I am writing to document the reasons for our amended reports for 2008 and 2009 Mid Year. As discussed on the phone in September, we conducted an audit for 2008 that necessitates amending our 2008 Reports as well as the 2009 Mid Year (see letter from October 28, 2009 regarding the mismatch from our beginning balance and the ending balance of the 2008 Year End Report).

Following are the errors corrected that necessitated the amendments:

- Credit card fees not reported for 2008 and 2009
- A \$500 contribution made payable to The Constance Campaign on 4/3/2008 had not previously been entered in the database
- A \$25 credit card receipt from 12/26/08 had previously not been recorded in the database
- Rangel Victory Fund refund of \$5000 received and deposited May 18, 2009. This had previously been recorded on 10/31/2008. That check was lost and therefore never deposited. The Rangel Victory Fund voided the check and re-issued.

As discussed, we also had \$2,767.33 that we are unable to trace. We have made an accounting adjustment that appears on line 17 of the 2008 Quarter 1 report. It was entered on 1/1/2008 in our database to bring the 2007 cash on hand balance into alignment.

Please let us know if any further information is needed.

Sincerely,

Lori Shoaf
